# Maria

Striving to create the living room space with sharp elegance of art deco luxurious idea, each element should be carefully selected in order to match the whole concept of chic environment. MARIA screen has become the best additional detail to achieve visual appearance with artistic and modern touch. Each of five scales of this beautiful screen has different height, giving the effect of playing with the space. Sophisticated combination of mirror and fabric add more luxurious view to the whole interior idea of the living room.

Code: **M-SR-F/G-002**

# Maks

Stunning exclusive VARRO pouffe collection is enriched by a new premium masterpiece MAKs. MAKs pouffe is characterized by its European traditional craftsmanship, glamorous style and comfortable shape. Geometrical lines of backrest of the pouffe reminds a sensitive hug. Contrast of colors, creating additional visual interest to any room, is becoming additional tooling to make this lovely furniture piece to become a real masterpiece.

Code: **M-P-L-002**

# Rider

Outstanding RIDER bench with its amazing structure consists of two bended wooden parts secularly combined together. Unparalleled unique shape has become a great additional element to the whole bedroom concept.

Code: **M-BB-F/W-004**

# Rhea

This sophisticated pouffe is a contemporary interpretation of the classic tradition. Conic shaped with decorative stiches on the sides and golden chains is becoming an eye catching element to any interior design idea.

Code: **M-P-F-004**

# Dada

DADA bedside bench owns enchanting and embracing shapes recalling «belle-époque» charm. Ideal for private living spaces. Unique shape of the bench is continued by two wooden bases. All elements of this sophisticated bench are combined together in a very harmonious way.
