**Nature isn't just beautiful.
Even in small doses, it

La natura non è solo bellissima.
Anche in piccole dosi, cambia il

ADRIANA

ADRIANA collection suggests a contemporary interpretation of retro elegance reminiscent of a typically Mediterranean vibe. This idea is driven by a desire to experiment with contrasts and unique combinations of materials for the outdoors - lightweight metal, the reassuring warmth of wood, sophisticated weaves and the amazing elegance of fabrics - all contribute to transform even outdoor spaces into intimate and cozy settings.

A wide-angle photograph of a sunset over a body of water. The sky is filled with large, billowing clouds that are illuminated from below by the setting sun, creating a warm orange and yellow glow. The sun itself is partially visible on the far left, creating a bright lens flare. The water in the foreground is calm, reflecting the colors of the sky and the clouds. In the middle ground, a sandy beach stretches across the frame. On the horizon, three boats are visible: a small white boat, a larger white boat, and a dark wooden boat. The overall mood is peaceful and contemplative.
